OUTLINE USED DURING TRUMP BRIEF ON

8/17/2016

Intro

*Before*

*METHOD*

- ✓ Purpose – CI and Security brief give Baseline on FIS threat to US National Security.
- ✓ Advise - if not already targeting, due to this briefing and access – you are
- ✓ FIS collect Political, economic, technological and military intelligence
- ✓ Basically they want inside information to give their country a competitive advantage over US.
- ✓ FIS use Intelligence Officers as their operatives or collectors in 2 ways
- ✓ Official Cover by using IOs under diplomatic cover at US based foreign establishments
- ✓ Non official cover (NOCS) – tourists, students, academics, business people
- ✓ In the US – Russian Fed has [redacted] known or suspected IOs, while China has [redacted]
- ✓ Russian threat is more traditional – establishment based IOs, while China takes an asymmetrical approach using NOCS.

- ✓ FIS will collect intel in 3 ways – HUMINT, SIGINT or Cyber
- ✓ HUMINT – IO attempt to recruit a person to provide Intel
  - Highly unlikely FIS attempt to recruit you: Staff, Business associates, domestic help
  - However – will come at you to elicit information – diplomats or NOCS
  - Classified, Sensitive, Private information

✓ SIGINT & CYBER – FIS rely on our dependency to communicate electronically & look to exploit.

- Mindful landline, cell calls, email, computer networks
- **Mindful not only how you communicate but where**
- Insider Threat – enable FIS technical penetrations
